PEN IS MIGHTIER THAN THE SWORD!

LedX National Article Writing Competition

Pen is Mightier Than the Sword!

Indeed, words and expressions have the power to change realities and destinies altogether. The memory of humankind is retained in scrolls and engravings, allowing us to learn from the past and move into the future. That is the impact of writing.

Writing is one of the most pivotal skill that a lawyer can have, a well written argument, a polished draft can sometime make all the difference in a win and a loss. LedX brings you the opportunity to hone and display that skill and have a brilliant and awarding experience with us, while writing on topics that matter, allowing your mind to build ideas and your mighty pen (or in this case, keyboard) to make an impact.
